1.11. The accounting records determined by the RFO shall in particular contain:

- entries from day to day of all sums of money received and expended by the council and the matters to which the receipts and payments account relate;

Appendix A

MATTERSEY PARISH COUNCIL: UNITY TRUST BANK AUTHORISATION PROCEDURE

1. Background

Unity Trust Bank provide an online funds transfer and authorisation facility which can be used either to pay suppliers or to transfer funds between Parish current and deposit accounts.

The RFO is the main proposer of online transfers and 2 of the nominated councillors are required to complete the online funds transfer process.

The purpose of this document is to list the sequence of events and the parties involved in either online supplier payment or inter-account funds transfer.

2. Online Procedure

2.1 Supplier Payments

The online accounts procedure for Mattersey requires triple authority to process each payment, ie one person, usually the RFO - to submit an item for payment , plus 2 further account signatories to authorise each payment (via a tick box against each payment item)

The online system will then confirm which items have been authorised and which items are still awaiting authorisation. The funds transfer will then proceed for fully authorised items only.

2.2 Internal transfer between Parish Accounts

Transfer of funds between current and deposit accounts and vice versa also require triple authority.

3. Council Authorisation Process.

In order to ensure that payments are expedited in a timely manner and that a full audit trail is retained, the authorisation stages, notification steps and associated response times are prescribed below.

3.1 Supplier Payments

Step 1 : Supplier presents an invoice to the Parish clerk for payment.

Step 2 : The RFO emails the Chair giving details of the proposed online payment.

Step 3 : The Chair emails the clerk to confirm that the proposed online payment is to proceed unless previously authorised at a Council meeting.

Step 4 : The clerk inputs the supplier details to the online bank account.

Step 5 : The clerk forwards the Chair's emailed response to all councillors and requests the nominated councillors to authorise the online payment

Step 6 : The authorised councillor enters the online payment system, authorises the payment within 24 hours and subsequently confirms via email that their online authorisation stage has been completed.

Step 7 : The payment is formally ratified within the Finance agenda item at the next parish council meeting, if not previously authorised.

3.2 Online transfers between Current and Deposit accounts

Funds transfers between Current and Deposit account are currently prescribed as requiring the same online proposal and 2-stage authorisation process as for payments.

Step 1 : The clerk identifies the need for a funds transfer between online accounts.

Step 2 : The clerk emails the Chair giving details of the proposed online funds transfer.

Step 3 : The Chair emails the clerk to confirm that the proposed online transfer is to proceed.

Steps 4-7 : Are as per the supplier payment authorisation described within 3.1 above.
